Subject: MOA Between EPA And LdF

Hi Michael,

I just want to update you on the status of the MOA between the LdF and EPA regarding Regulatory Authority over Underground Storage Tanks. A first draft of the MOA will be available for your review by the end of this week or the beginning of next week. Richard A. Du Bey, Attorney, Short Cressman & Burgess PLLC will be providing the draft copy for your review and comment. He will also provide a copy to Erik Olson.

I left you a voicemail as well regarding the MOA. Based on your message, you will not be back in the office until August 8, 2016. Hopefully you are enjoying some time off with your family. I will be out of the office next week on vacation, but give me a call if you have questions. I will try to get back to you or I will have someone contact you.

Thanks

Larry Wawronowicz
